# Bomet installs disinfection booths in fresh produce markets

*Governor Dr Hillary Barchok during the launch of disinfectant booth at Mulot fresh produce market.*

Fresh produce markets in the county have been installed with disinfection booths in the fight against Covid-19.

While unveiling one of the booths in Bomet town, Monday May 4, 2020, Governor Dr Hillary Barchok, assured the public that his administration was committed to everything possible to protect its people especially during this time of crisis.

"It is our individual responsibility to comply with the Government's directives and follow guidelines laid down by the Ministry of Health in order to defeat Coronavirus pandemic." Dr Barchok pointed out.

Other markets installed with the equipment are Mulot and Chebunyo markets while Mogogosiek and Sotik markets will be installed next week

## Covid-19 donation received

Kapkoros Group of Companies Tuesday, presented their donation of 1,600 reusable face masks and 130 cartons of bar soaps to Governor Dr Hillary Barchok to be distributed in the tea growing zones in fight against Covid-19.

"I acknowledge the Kapkoros Group of Company for their corporate social responsibility which include construction of Sonokwek, Teganda and Singorwet dispensaries as well as Kiromwok, Chemaner and Sibaiyan maternity wings, and the planned modern laboratory at Bomet Health Centre." Barchok noted.

Adding, "I call upon other organizations, business community and well-wishers to join hands with the County Government through any form of donations to support the fight against the virus."

The group's Chairman Eric Langat presented the donations on behalf of Kapkoros Group of Companies at the county headquarters.
