United States of America through its agencies in Kenya will capacity build Bomet County to achieve on the devolution agenda, American Ambassador to Kenya Kyle McCarter said during a courtesy call on Governor Dr. Hillary Barchok, Thursday, at the county headquarters.

Among the areas of partnership is provision of health care services, agro-processing, research and training.

'We thank the US government for the friendship and the support it has extended to us as a county, we have a number of projects being funded by the United States across Bomet especially on health,' Governor Barchok said.

Deputy Governor Shadrack Rotich, Deputy Speaker Wesley Kiprotich, County Secretary Evaline Ronoh, County Executive Committee Members and a host of Members of County Assembly attended the event.

## Bomet set to open 314 Kms of new roads

Bomet has embarked on opening 314 kilo meters of new access roads across the county.

Governor Dr Hillary Barchok commissioned the project on Monday, January 27, 2020, when he launched the dozing of Kiptunoi-Arap Kosgei-Koita-Ndabibi-Kiprerres road in Bomet East Sub-county.

Dr. Barchok cautioned all contractors that no payments will be made on shoddy work.

"I call upon all the contractors who will undertake the construction of county projects to ensure that value for taxpayers money is realized," Dr. Barchok said.

Adding, "A project committee to exercise social audit during construction of the roads exercise in every ward to ensure transparency and accountability."

Roads, Public and Transport CEC Joseph Terer said the department is developing a roads maintenance policy that will guide the county on roads maintenance.
