Key Observations

In the course of implementation of the County budget, the following challenges have been noted;

- a) Low absorption of development funds in the first quarter of FY 2024/25 from the annual development budget allocation of Ksh. 78.8 Million against the Annual target.
- b) The performance of own revenue at Ksh. 25.2 million against an annual projection of Kshs.455 Million.

c) Delay in disbursement of devolved funds from the national exchequer occasioned by withdrawal of Finance Bill affected implementation of projects.
